## A STANDARD CONDOMINIUM PLAN

Milton, Ontario**

**MILTON CENTRE CO-OPERATIVE DEVELOPMENT CORPORATION**

This disclosure statement is made March 14, 2016.

The Declarant is Milton Centre Co-operative Development Corporation (hereinafter, the “Declarant”) and the Project is referred to as “Jasper Condos”.

The Declarant’s address is c/o M.F. Property Management, 28 Bett Court, Guelph, Ontario N1C 0A5..

The property address is 716 Main Street East, Milton, Ontario (hereinafter, the “Property”).

#### Article 1 – Proposed Condominium

1. The Property is proposed to be a freehold standard condominium corporation pursuant to the *Condominium Act, 1998* (the “Act”). The legal description of the property is Part Lot 13, Concession 3, Trafalgar New Survey, Part 1, Plan 20R-9214, Milton/Trafalgar, being currently all of PIN 24945-0128 (LT). The proposed condominium is sometimes referred to in this Disclosure Statement as the “Project” or, when discussing the condominium corporation to be created by the condominium approval and registration process, the “Corporation”.
2. For clarity while reading this document and all other documents forming part of the disclosure package of which this is a part:
  - a. A “unit” is that portion of the condominium plan that is owned individually; and
  - b. the “common elements” are all other parts of the condominium plan and are owned by all unit owners as tenants-in-common.

When purchasing a unit in a condominium, you obtain “freehold” title to the unit and an undivided interest (a portion of the “common interest”) in all the common elements of the condominium.

3. What constitute the boundaries between units and common elements may differ widely from condominium to condominium. In the case of the Project, each of the residential units consists of the interior of the dwelling, including drywall. The proposed parking units will begin at the upper surface of the asphalt or concrete slab base of the unit and will be defined by the monuments and planes established by measurement as illustrated on the proposed description plans (a particular type of survey plan required to be registered to create the condominium). The proposed storage units consist of the air space within the boundaries of such unit as defined in Schedule C to the Declaration and the condominium plan. (The actual materials used to construct the storage units will be considered as common elements.) These statements are provided to give you only a general idea of what constitutes the boundaries between the units and common elements in the Project. For more precise information you should carefully review the relevant provisions in the proposed declaration.
4. Site Plan approval has not yet been obtained for the Project but it is expected the total number of residences to be built and sold within the Project will be one-hundred-and-sixteen (116). There are proposed to be sufficient parking units to permit one allocated to each residential unit as well as several common element visitor parking spaces. It is possible that some or all of the proposed parking units will in fact be created as “exclusive use common elements” allocated to the residential units. A lesser number of storage units will be available for purchase by purchasers of residential units. The proposed common elements may include any or all of the following: (this is not an exhaustive list)
  - a. the driveways, walkways, and exterior landscaped areas;
  - b. the building lobby and elevator;
  - c. balconies and patios (appurtenant to each residential unit);
  - d. a roof top patio;
  - e. a guest suite; and
  - f. the structural components of the building.
5. Proportions of the common interest in the common elements and proportionate responsibility to pay contributions to the common expenses are allocated to the individual units as percentages set out in Schedule D to the proposed declaration. Such allocations are allocated proportionally amongst all of the residential units, based on the approximate, proposed relative square footage of each such unit and patio or balcony appurtenant to such unit. The allocations with respect to the parking units shall be such that they result in a monthly common expense fee per unit per month of between \$20.00 and \$50.00. The allocations with respect to the storage units shall be such that they result in a monthly common expense fee per unit per month of approximately \$10.00. No unit is allocated a proportion of either the common interest or responsibility for the common expenses that is greater than 10% more or less than what is allocated to any other unit of the same type, size and design.
6. There are no representations with respect to the quality of materials or appearance of buildings other than those specifically set out as representations in this disclosure statement.

**Article 2 – Use, Occupancy and Sale of Units**

1. The residential units are for residential use only and solely as single family dwellings.
2. The proposed declaration will prohibit transient occupancies (e.g., occupancies in the manner of a hotel or boarding house) of the units.
3. There are several restrictions in the proposed declaration and rules pertaining to the kind of activity that can be carried out in the units. Such provisions could be more restrictive than applicable zoning by-laws. You should carefully review these restrictions. The Declarant cannot be held responsible if you purchase the unit and your intended use is not permitted. It will be the responsibility of the board of directors of the Corporation (the “Board”) to strictly enforce such restrictions. The restrictions include that the units may not be used or occupied in any way or for any purpose that:
  - a. is contrary to the *Condominium Act, 1998*, or the declaration of the Corporation;
  - b. is commercial in nature;
  - c. is illegal;
  - d. causes, emits, and/or creates anything combustible and/or noxious and/or irritating, and/or malodorous and/or offensive, or anything else which could be considered a nuisance and can be detected in any significant way in any unit (other than the unit from which such odour is caused or emitted) or in the common elements;
  - e. uses, causes, emits, and/or creates anything that is explosive or toxic in any dangerous quantity (as determined in the sole and absolute discretion of the Board);
  - f. in the opinion of the Board presents any significant threat of injury to the health, safety or security of any of the unit occupants or risk of damage to the units, common elements and/or assets within the condominium plan;
  - g. causes or generates or permits noise over and above what might be reasonably expected in a residential setting unless permitted by the Declaration or otherwise by the Board in writing and subject to such conditions or restrictions as the Board may choose to impose; or
  - h. in the discretion of the Board acting reasonably creates or is the cause of any nuisance affecting other unit occupants of units within the condominium plan.
4. Home offices are permitted within residential units provided they are allowed by municipal by-law and do not generate an unreasonable amount of vehicular or pedestrian traffic or otherwise cause significant irritation to other residents. The Board shall have authority to prohibit home offices that violate such requirements.
5. No residential unit is to be occupied or used by anyone whose occupancy or use shall give rise to the possible cancellation of any policy of insurance.
6. It shall be each unit owner’s responsibility to ensure that all unit occupants of such owner’s unit(s) comply with and are aware of all by-laws and rules of the Corporation and it is a duty of the unit owners and unit occupants to comply with such by-laws and proposed rules.
7. The Declarant has no present intention to lease more than zero per cent (0%) of the proposed units of this condominium plan. However, the Declarant maintains the right to lease one or more units that it does not sell.
8. The Declarant reserves the right to maintain one or more models in the Project until after the registration and sale of all residential units in the Project. This will include the right of prospective purchasers to visit the model residential unit(s) and park cars on the common elements in any areas designated for such use by the Declarant, acting reasonably.
9. The Declarant may require the Corporation to acquire title to some of the storage units.

**Article 3 – Unit Maintenance and Repair, Alterations, Snow Removal, Grass Cutting**

1. When buying a condominium unit, you do not have complete freedom to make any changes to the property that you desire. There are various provisions in the Act as well as the draft declaration that restrict the alterations and additions that can be made to either the units or the common elements. Those provisions of the Act and the declaration and rules should be carefully reviewed before determining whether any changes you might wish to make can be made. You may wish to seek the advice of a lawyer or realtor knowledgeable about condominiums to gain further understanding of the rights and obligations that pertain to condominium ownership.
2. As set out in greater detail in the proposed declaration, each unit owner, must maintain such unit owner’s unit and repair the same (including repair after damage), including the improvements thereto. (Please note that

“improvements” is a defined category under the Act, and it is that meaning which is imported here.) Unit owners are also expected to keep clean the windows and doors to their units. The Corporation may be entitled to charge its costs of cleaning such parts of the property that the owner is required to clean if the owner does not do so.

3. Each unit owner is responsible to ensure that his or her unit is and remains equipped with smoke detectors, fire detectors, carbon monoxide detectors and other life safety warning devices as are prescribed by the applicable governmental legislation, regulations and building or other codes, and that such life safety warning devices are kept in good operating condition. The Corporation will have the right to enter into and inspect the units to ensure such life safety warning devices are in place and in working condition. Unit owners also have other responsibilities for the safety of their units that the condominium may inspect and require to be done. Full details are set out in the proposed declaration.
4. Subject to certain provisions in the proposed declaration, the Corporation is responsible for maintenance and repair of the common elements, which responsibilities include the removal of snow and ice from all common element roadways, driveways, entranceways and walkways, and grass cutting and landscape maintenance in all common element lawn and landscaped areas.
5. No telecommunication device is allowed within the condominium plan (other than if contained wholly within a unit) without the prior written approval of the Board and then only in strict compliance with such approval. The Board has no obligation to provide such approval and any approval that the Board does give can be revoked in the absolute discretion of the Board. Without limiting the generality of the foregoing, the installation of satellites is prohibited and no other telecommunication device shall be permitted to be installed on the balcony or terrace adjacent to any unit and the Board shall not approve the installation of any telecommunication device on the balcony or terrace adjacent to any unit.

#### Article 4 – Parking

1. The parking areas of the Project are proposed to be units, although some of the parking spaces may ultimately be designated as common elements that are either allocated for the exclusive use of the occupants of particular units or are left as regular common elements under the express control of the Corporation. The Declarant may require the Corporation to acquire title to certain of the parking units.
2. Subject to availability, residential unit owners may have the option to purchase one or more parking units. No parking units will be available for purchase or lease by anyone who is not the owner of a residential unit within the condominium plan.
3. Owners of parking units shall not be permitted to transfer the title to (e.g., sell) such parking unit to anyone who is not a resident of the condominium. (For your information, the same restriction applies to storage units within the Project.)
4. In the absence of the prior written permission of the Board, motor vehicle(s) of a unit occupant may only be parked in a parking unit or space owned by or allocated to such unit occupant. Unit occupants may not use designated visitor parking spaces for their own vehicles as there are to be reserved for use by bona fide visitors to the Property, subject to any contrary determination made by the Board. In the absence of the prior written permission of the Board, no overnight parking is permitted in any area marked for or designated for visitor parking.
5. The traffic and proposed parking rules established by the Board and the traffic and parking signage posted by or on behalf of the Board shall be complied with by all unit occupants and visitors. These include restrictions on the types of vehicle that can be parked on the property (e.g., prohibitions against derelict and certain types of recreational vehicles) and a prohibition against mechanical repairs being performed on the Property. For complete details, see the proposed declaration and rules.
6. One or more of the parking spaces to be created within this condominium plan will be designated as “Handicapped Parking Space(s)”. The Board is authorized and empowered to allocate or license any such designated Handicapped Parking Space(s) for use by one or more unit occupants of the condominium plan and it is expected that such use will likely be restricted to persons who are entitled to make use of municipal handicapped parking spaces. The Board is entitled to charge a fee for such use as a precondition to such use. No unit occupant has any rights to make use of any such designated Handicapped Parking Space. The Board has discretion to decide who is to use such Handicapped Parking Spaces and on what terms and for what period of time and to revoke any permission given to use the same. The Board has the right, as a condition of such approval, to require any unit occupant who is allocated the use of a Handicapped Parking Space to give up such unit occupant’s rights to any other parking space that such unit occupant has the right to use and allow the same to be used for other parking as determined by the Board from time to time for so long as the unit occupant has the use of a Handicapped Parking Space. The discretion of the Board in this regard includes the right to allow the use of any such Handicapped Parking Space(s) by visitors to the Condominium Plan who may or may not be considered handicapped or otherwise qualify to use the same on account of the designation as being reserved for persons considered “handicapped”.

**Article 5 – Pets**

1. There are detailed provisions regarding permitted pets contained in the proposed declaration and rules, including restrictions as to the number and types of pets that may reside on the property.
2. Such provisions include restrictions on pets to prohibit the presence of certain breeds of dogs or aggressive dogs, including Pit Bull, Rottweiler, Doberman, Akitas and any sort of guard dog or dog originally bred for fighting or any dog which is a cross of one or more of these breeds or types of dogs. The condominium will have discretion from time to time to prohibit other breeds of dogs which may give rise to safety concerns by the residents of the Project and therefore be prohibited. Full details are set out in the proposed declaration and rules.
3. If you have a pet or intend to have one, you should carefully review the provisions in the proposed declaration that set out in detail the foregoing and other restrictions to ensure your pet is allowed before purchasing your unit.

**Article 6 – Proposed Condominium Documents**

1. The proposed declaration for the condominium outlines (amongst other things, including provisions referenced elsewhere in this disclosure statement):
  - a. the division of ownership of units and common elements, detailing the boundaries of the units and designating which of the common elements are for the exclusive use of certain units, if any;
  - b. the percentage ownership that each unit owner has in the common interest and the percentage contribution required of each unit owner toward payment of common expenses;
  - c. certain restrictions on the use of units and common elements, including provisions relating to physical changes to the property; and
  - d. maintenance and repair obligations of the unit owners and the corporation.
2. Proposed By-law No. 1 for the condominium sets out the requirements for:
  - a. holding and conducting meetings of unit owners;
  - b. notice requirements for meetings;
  - c. voting rights of owners and mortgagees;

  - e. assessing and collecting common expenses;
  - f. the borrowing of money by the Corporation;
  - g. defining the Standard Units;<sup>1</sup> and
  - h. provisions relating to the process for mediation of disputes.
3. The proposed rules are to promote the safety, security and/or welfare of the owners and to prevent unreasonable interference with the use and enjoyment of the common elements and of other units. New proposed rules may be passed or the proposed rules may be amended or repealed by a vote of unit owners representing a majority of the units in attendance at a properly constituted meeting.
4. The proposed rules should be carefully reviewed as they govern many aspects of day to day life in the condominium. Among other things the rules govern and restrict the placing of signs, garbage disposal, advertisements and notices, the parking of vehicles and the types of vehicles allowed. Some rules reiterate provisions in the proposed declaration. It is important to remember that there are also many provisions in the proposed declaration that govern and restrict the activities of unit owners and occupants and their guests and visitors and affect their use of the units and common elements and activities.

**Article 7 – Warranties**

1. The residential units and appurtenant common elements of this condominium plan will have the benefit of the warranties prescribed by the *Ontario New Home Warranties Plan Act* (now and hereinafter called “Tarion

---

<sup>1</sup> It is important that each owner be aware that the condominium’s standard unit by-law will define the “standard unit” (i.e., those components of the units to be insured by the condominium) for the residential units as only including that shell part of the unit which is required to be completed in order to permit the Declarant to effect registration of the condominium. All “completion” items within a residential unit over and above this level of construction must be insured by the unit owner pursuant to his or her own insurance policy.

#### **Article 10 – Fees or Charges to be Paid to the Declarant or Another Person**

1. There are no fees or charges that the corporation will be required to pay the Declarant.
2. There are no fees and charges that the corporation is required to pay to another person other than those fees and charges that are set out in the proposed budget that accompanies this disclosure statement.

#### **Article 11 – Common Element Leases or Licenses**

No lease or licenses are contemplated at this time. However, there will be easements in favour of utility companies that may include the right for such utility supplier to enter into and keep equipment within the common elements of this condominium plan.

#### **Article 12 – Insurance Trust Agreement**

There will be no insurance trust agreement unless the same is established by the condominium corporation after its registration.

#### **Article 13 – Agreements**

The Corporation has entered into the following agreements:

- Indemnity Agreement regarding Municipal and Utility Supplier Agreements Covenants and Schemes, a copy of which accompanies this disclosure statement. This agreement obligates the Corporation to comply with all applicable agreements, provide information that the Declarant needs for disclosure, sets limitations on budget expenditures, and obligates the Corporation indemnify and save the Declarant harmless with respect to all of the

foregoing.

- Management Agreement for the management of the condominium with M.F. Property Management Inc., a copy of which accompanies this disclosure statement at the rate and for the specific management services set out in the contract and budget wherein the annual cost for the same is set out at \$33,700.00 plus applicable H.S.T. thereon.

#### Article 14 – Insurance

1. The condominium only maintains replacement cost insurance on the common elements and the base shell “standard unit” (exclusive of improvements) as defined in By-law Number One on its behalf and on behalf of the owners against major perils.
2. Each unit owner should obtain his, her or its own additional insurance for such owner’s unit. The Corporation’s insurance does not protect the owner from many types of loss including public liability (including damages that occur in the outside areas appurtenant to a unit), loss or damage to personal items and chattels or improvements to the units.
3. Each owner should approach an insurance agent knowledgeable in condominium insurance to be properly advised as to what insurance is required. The insurance agent of each owner must be provided a copy of the proposed “standard unit” definition from the proposed by-law. The owner must insure everything in the unit owner’s unit over and above the “standard unit” which is defined in the proposed by-law.
4. It is important that each unit owner be aware that the proposed standard unit definition for the Project will define the standard unit insured by the condominium as only including that shell part of the unit which is required to be completed in order to permit the Declarant to effect registration of the condominium. This is all that will be covered by the condominium’s insurance. All finishing items over and above the basic shell of the unit, (including but not limited to the furnace, air conditioner, plumbing and electrical fixtures, cabinetry, etc.) are considered “improvements” to the units and must be insured by the unit owner. Basically, the definition of the “standard unit” only includes that basic part of the unit which is required to be completed in order to permit the Declarant to effect registration of the condominium. All “completion” items within a unit over and above this level of construction must be insured by the unit owner pursuant to his or her or its own insurance policy. (These statements provide a general overview only and the specific terms of the standard unit definition set out in proposed By-law No. 1 should be consulted for precise determination of which is or is not included in the standard unit.)

#### Article 15 – Adjacent Lands

1. The Declarant does not own any land adjacent to the land to be registered as the condominium plan for the Project.
2. No other land adjacent to the land described in the description is owned by a subsidiary body corporate, holding body corporate or affiliated body corporate of the Declarant.

#### Article 16 – Miscellaneous matters

1. Prior to registration, the property will need to be converted to Land Titles Absolute status and draft condominium plan approval will be required to permit the registration of the condominium on the lands.
2. The Declarant has no actual knowledge of any judgments against the condominium to be created by the Declarant, nor does it have any actual knowledge of any pending law suits to which the condominium is or will be a party.
3. There are no reserve funds nor will there be any reserve funds established for the condominium other than the reserve funds collected after registration of the condominium.
4. The Budget Statement is prepared based on garbage and recycling materials being picked up by private waste and recycling collection company.
5. Subject to the condominium establishing a charge for anything that is currently supplied by the Declarant there are no services that the Declarant provides or for which it pays that might reasonably be expected to become a common expense at any subsequent time.
6. No buildings on the property or a unit or a proposed unit are being converted from a previous use.
7. There are no major assets and property that the Declarant has indicated that it may provide, even though it is not required to do so.
8. There are no units and or assets that the Corporation is required to purchase, services that the Corporation is required to acquire or agreements or leases that it is required to enter into with the Declarant or a subsidiary body corporate, holding body corporate or affiliated body corporate of the Declarant *other than an agreement to indemnify the Declarant after registration of the condominium with respect to the terms and conditions under*

*various municipal and utility agreements that run with title to the land.*

9. There are no fees or charges that the condominium is required to pay to the Declarant or another person other than as disclosed herein or set out in the Budget Statement.
10. Under subsection 82 (8) of the Act, the Declarant is entitled to retain the excess of all interest earned on money held in trust over the interest that it is required to pay to the purchaser under section 82 of the Act.
11. Through the development approval processes, the municipal approval authority may require certain warning clauses or other covenants to be included in the Agreement of Purchase and Sale and/or the proposed declaration in relation to such issues as noise or pollution, if any. In the event such are required, this disclosure statement will be updated to include the same. See Schedule 'J' of your Agreement of Purchase and Sale for greater detail.

**Time of delivery**

(4) The declarant shall deliver the revised disclosure statement or notice to the purchaser within a reasonable time after the material change mentioned in subsection (1) occurs and, in any event, no later than 10 days before delivering to the purchaser a deed to the unit being purchased that is in registerable form. 1998, c. 19, s. 74 (4).

**Purchaser's application to court**

(5) Within 10 days after receiving a revised disclosure statement or a notice under subsection (1), a purchaser may make an application to the Ontario Court (General Division) for a determination whether a change or a series of changes set out in the statement or notice is a material change. 1998, c. 19, s. 74 (5).

(c) the date on which the Ontario Court (General Division) makes a determination under subsection (5) or (8) that the change is material, if the purchaser or the declarant, as the case may be, has made an application for the determination. 1998, c. 19, s. 74 (6).

Note: On the day Part V comes into force, clause (c) is amended by the Statutes of Ontario, 2000, chapter 26, Schedule B, subsection 7 (5) by striking out "Ontario Court (General Division)" and substituting "Superior Court of Justice". See: 2000, c. 26, Sched. B, ss. 7 (5), 20 (4).

**Time of refund**

(10) The declarant shall make the refund,

(a) within 10 days after receiving a notice of rescission, if neither the purchaser nor the declarant has made an application for a determination described in subsection (5) or (8) respectively; or

(b) within 10 days after the court makes a determination that the change is material, if the purchaser has made an application under subsection (5) or the declarant has made an application under subsection (8). 1998, c. 19, s. 74 (10).

- 2. The Units are to be used as single family residential dwellings only; and
  - a. Without limiting the generality of the foregoing, no Unit may be used for any commercial purposes by anyone, regardless of whether same are permitted by municipal by-laws, including that, without limitation:
    - i. no Unit may be leased or licensed on a short term or transient basis or used or occupied in the manner of an inn, lodging house, student residence, boarding house, rooming house, "bed & breakfast", hotel or hostel, or any use substantially similar to any such uses, and, for clarity, the foregoing restrictions shall apply notwithstanding the issuance of a license by any Municipality or other relevant authority purporting to permit such use(s); and
    - ii. the Board has the right to prohibit any and all forms of babysitting services and day care facilities regardless of whether same are permitted by the municipal zoning by-laws; and
  - b. notwithstanding the foregoing, "home offices" are permitted within the Units provided the same do not violate the relevant municipal zoning by-law(s), generate any vehicular or pedestrian traffic within any part of Common Elements, or cause significant irritation to Unit Occupants of other Units, as reasonably determined by the Board, such that the Board is entitled to prohibit any home offices that violate the foregoing proviso.
- 3. A Unit may be used only in accordance and compliance with any and all zoning bylaws applicable to the property. Notwithstanding the generality of the foregoing or any other provision hereof, and notwithstanding any other provision in any applicable zoning or any permit or approval of any kind obtained by any Unit Owner or Unit Occupant, no Unit may be occupied by or used in whole or in part for any purpose, business, activity or facility that in the reasonable opinion of the Board:
  - a. is illegal;
  - b. causes, emits, and/or creates anything combustible and/or noxious and/or irritating, and/or malodorous and/or offensive, or anything else which could be considered a nuisance and can be detected in any significant way in any Unit (other than the Unit from which such odour is caused or emitted) or in the Common Elements and is not otherwise permitted by the Board and subject to such conditions or restrictions as the Board may choose to impose;

- 4. The use of a Storage Unit or a Parking Unit by anyone other than a Unit Occupant of a Residential Unit is prohibited. This provision does not apply to the Declarant while it owns any Storage Unit or Parking Unit.
- 5. Neither the Board nor any member thereof nor the Corporation shall be liable for any loss or damage or theft to any Unit Owner's or Unit Occupant's goods or chattels stored in any Storage Unit or storage space provided or permitted by the Corporation.
- 6. No Unit shall be occupied or used by anyone whose occupancy or use shall give rise to the possible cancellation of any policy of insurance. If any proposed or actual use of a Unit or the proposed or actual occupation thereof by any person or persons should in the sole determination of the Board upon the advice of its insurer and such other reliable counsel, cause a threatened or actual:
  - a. increase in the cost of the insurance coverage that the Corporation is obligated to maintain on account of the provisions of the Act, the Declaration or any By-law of the Corporation; or
  - b. cancellation and/or non-renewal of any or all of the insurance coverage that the Corporation is obligated to maintain on account of the provisions of the Act, the Declaration or any By-law of the Corporation;

then, such proposed or actual use of such Unit or proposed or actual occupation thereof by such person or persons if it has not yet occurred, shall not be allowed to occur, or, if it has occurred already and is continuing, shall immediately cease upon the written request to the Unit Owner by the Board.

In addition, or, alternatively, in the sole and absolute discretion of the Board, if a Unit is occupied or used by anyone in a way that results in an increased insurance premium cost to the Corporation, the Unit Owner of the relevant Unit shall reimburse the Corporation for the amount of the increase, and the increase in premium cost shall be added to the said Owner's contribution towards common expenses and therefore can be the subject matter of a lien on account of arrears of common expenses if not paid upon request by the Board.

- 7. No more than two (2) full- or part-time students at a post-secondary educational institution may at the same time be Unit Occupants of any Unit without the express and written consent of the Board, which consent may for any reason be arbitrarily withheld. For the purposes of this provision, a post-secondary educational institution means, without limiting the generality of that term, any educational or training institution that is recognized by the government of Ontario or any of its agencies or by the government of Canada or any of its agencies that, within their respective jurisdictions, is responsible for registering, accrediting, supervising or regulating institutions issuing any post-secondary educational credential (diploma, certificate or degree), which, for clarity, does not include any school the affairs of which are regulated under the *Education Act* of Ontario except with respect to any adult or continuing education programs offered therein.
- 8. It shall be each Unit Owner's responsibility to ensure that all Visitors to and Unit Occupants of such Owner's Unit comply with and are aware of the Corporation's By-laws and all current Rules and it is a duty of the Unit Owners and Unit Occupants to comply with such By-laws and Rules.
- 9. No Unit Owner shall lease such Unit Owner's Unit to any person whose occupancy would be contrary to the provisions of this Declaration and no lease or license to occupy a Unit shall be granted until after such Unit Owner delivers to the Board:
  - a. A written statement signed by the Unit Owner representing and warranting that the proposed occupancy by the intended tenant(s) of the Unit shall comply in all respects with the conditions and restrictions on occupancy that are set out in this Declaration; and
  - b. an acknowledgement and undertaking signed by the proposed primary tenant containing:

- i. the legibly printed name(s) of each person who is proposed to occupy the Unit pursuant to such tenancy; and
- ii. the following statement, appropriately completed but without omission or amendment to the substantive terms thereof:

*I, ....., acknowledge and understand [if a corporation add: on behalf of the Corporation] that the Unit rented by me [or, in the case of a corporation: the Corporation] is a Unit within a registered condominium plan that is governed by the Ontario Condominium Act, 1998, and further covenant and agree [if a corporation add: on behalf of the Corporation] that [or, in the case of a corporation: the Corporation, its directors and officers], and my [or, in the case of a corporation: its] invitees, employees, clients, suppliers, contractors, servants and guests from time to time will, in using the Unit rented by me [or, in the case of a corporation: the Corporation] and the common elements, comply with all legislation applicable to condominiums in Ontario, the Declaration and the By-Law(s) and all Rules of the Condominium Corporation during the term of the tenancy.*

Failing the delivery of which, such tenancy is not permitted.

#### **Condition or Restrictions Relating to the Transfer of the Units**

10. Title to a Storage Unit or a Parking Unit is not permitted to be transferred to anyone who is not also the Owner of, or who is not also concurrently acquiring title to, a Residential Unit. The restriction on transfer of title does not apply to the temporary transfer of title to an estate trustee for the purpose of facilitating management of the estate of a deceased Unit Owner, provided that no use of the Storage Unit or Parking Unit shall thereby be allowed for any purpose than (in the case of the Storage Unit) to store goods or (in the case of the Parking Unit) to keep parked a vehicle where such goods or vehicle (as the case may be) belong(s) to the deceased Unit Owner and only until title to such Unit is transferred to a buyer or beneficiary who also has or acquires title to a Residential Unit.
11. Provided the Declarant bears all costs associated with such transfer and the Parking Units and Storage Units are free from encumbrances, except as expressly permitted herein, upon receipt of written notice from the Declarant, the Corporation shall be obligated to accept title to any such Units as are owned by the Declarant and are set out in such notice.

#### **Section 47(2) Record**

12. For the purposes of the record required to be maintained by the Corporation pursuant to Section 47(2) of the Act (the "Record"), each Owner of every Unit is required to provide the Corporation with written notice of such Owner's name and current address for service immediately:
  - a. when such Owner acquires any ownership interest in the Unit, and
  - b. subsequently upon there being any change to such Owner's name and/or address for service.

In the event of any dispute or question as to the correct name and address for service for the Unit Owner, reference shall be had to the most recent written notice received by the Corporation in accordance with this provision and the same shall be deemed to be correct as at the date of such dispute or question. In the event no such notice has been received by the Corporation with respect to a Unit, then regardless of whether or not the Owner of the Unit resides in the Unit the name of the Owner(s) as registered on title to the Unit and the municipal address of the Unit shall be deemed to be, respectively, the Owner's name and address for service for the purposes of the Record. Furthermore, each Owner of a Unit must advise the Board in writing of the name of any person who occupies or lives in the Unit owned by such Owner forthwith upon any such person occupying or commencing to live in the Unit. It shall be each Unit Owner's responsibility to ensure that all Unit Occupants of such Owner's Unit comply with and are aware of all current rules and it is a duty of the Unit Owner to ensure that Unit Occupants comply with all such rules.

#### **General Provisions Relating to Use of the Common Elements**

13. No Unit Occupant may use any water supply which is intended solely for use in, on and for the Common Elements.

14. No Unit Owner shall obstruct any of the walkways or Unit entrances or make any use of the same for any purpose other than pedestrian ingress to and egress from the Units and Common Elements.
15. The traffic and parking rules established by the Board and the traffic and parking signage posted by or on behalf of the Board shall be complied with by all Unit Occupants and Visitors.
16. The balcony or patio appurtenant to a Unit are intended for exclusive use by the Unit Occupants of such Unit and no other person shall have any entitlement to the use thereof.
17. No motor vehicle shall be driven or placed on any part of the Common Elements other than on the roadway. No parking area shall be obstructed so as to hinder or prevent motor vehicular access thereto by the persons with a right to park or drive a motor vehicle thereon.
18. No repairs or adjustments to motor vehicles or any other machinery shall be carried out on the Common Elements or in or on any part of a Unit. No one shall permit any gasoline, oil or other harmful substance to escape on to the surface of the parking spaces, Storage Units or any part of the Common Elements. Other than as a temporary expedient, mats, trays or other containers may not be placed on the surface of the parking spaces or Storage Units as an alternative to repairing the cause of the escape of gasoline, oil or other harmful substance from a vehicle.

**Appearance and Alterations to the Units and Common Elements**

19. Except with the prior express written consent of the Board and the Declarant (while it owns any Unit within this Condominium Plan):
  - a. nothing is permitted to be placed, left, installed, situate or otherwise be in the Common Elements;
  - b. no maintenance, signage, addition, alteration, repair, renovation, improvement, painting or staining that affects the appearance of any part of the Unit that can be seen from any abutting street or from any other Unit within this Condominium Plan and/or from the Common Elements of the Corporation is permitted;
  - c. specifically and without limiting the generality of the foregoing, no hot tub or other thing which may or does contain water is allowed anywhere on the exterior portion of any Unit or in the Common Elements;

which consent:

- i. neither the Board nor the Declarant is required to provide; and
- ii. if given can be revoked without reason or explanation; and
- iii. may be subject to such conditions and/or criteria as the Board or Declarant, as the case may be, deems or determines is appropriate in its absolute discretion, including without limiting the generality of the foregoing a requirement that the Unit Owner making the request pay a security deposit and/or execute a waiver or indemnity in a form acceptable to the Board or Declarant, as the case may be, where it is reasonable to do so having regard to the risks of property damage and/or personal injury inherent in or attendant to allowing the alteration, addition, placement or other thing that is subject of such consent.

This paragraph is not applicable to the Declarant or to any Unit owned by the Declarant.

20. Anything that is permitted to be placed or constructed by or for a Unit Owner on or within any portion of the Common Elements must be kept in good condition by the Unit Owner, unchanged in appearance except as permitted in writing by the Board and the Declarant (while it owns any Unit within the Land), failing which any of the Board and the Declarant (while it owns any Unit within the Land) may either effect repairs as are necessary to ensure compliance with the foregoing or remove same from the Land. For such purpose, entry to any such Unit is permitted by or on behalf of the Corporation and the Declarant. Any costs relating to same are deemed to be common expenses due from the Unit Owner in question. This paragraph is deemed to be included in any agreement made between a Unit Owner and the Corporation pursuant to section 98 of the Act.

21. No one shall make any changes within or to a Unit that would:
- a. adversely affect noise attenuation features of the Unit or the building in which the Unit is situate if any; or
  - b. diminish the fire rating of the Unit or the building in which the Unit is situate; or
  - c. violate any applicable Building Codes, property standards or building regulations.
22. Any work within a Unit that requires a building permit may not be performed without the prior written consent of the Board which consent may be arbitrarily withheld. This paragraph is not applicable to any Unit owned by the Declarant.
23. The configuration and layout of the rooms within any Unit may not be changed without the prior written consent of the Board, which consent may be arbitrarily withheld, and, where such consent is given, the approval of the Municipality where the proposed alterations give rise to a requirement for the same. For the purpose of clarification this means that no internal walls or room dividers within a Unit's boundaries may be removed, added or modified so as to increase or decrease the number or rooms in any Unit or the size of any room within any Unit in the absence of such prior written consent of the Board. In addition, no room in any Unit that was not designated as a bedroom or potential bedroom on the registered architectural plans for this Condominium Plan may be used for a bedroom without the consent of the Board, which consent may be arbitrarily withheld, and, where such consent is given, the approval of the Municipality where the proposed change in use gives rise to a requirement for the same. This paragraph does not apply to any Unit owned by the Declarant.
24. No person shall install, fix, hang or otherwise place window or glass door coverings of any type in any Unit that are visible from any abutting street or any other Units or the Common Elements, unless the same are white or off-white sheer curtains or are draperies or other coverings lined with white or off-white material and that are in accordance with criteria established by the Board. This paragraph is intended (without limiting the generality of the foregoing) to prevent window and glass door coverings being used that were not intended for such use or which are unsightly or inconsistent with other visible window and glass door coverings being used in the Condominium Plan.
25. No maintenance (other than regular cleaning), addition, signage, alteration, repair, renovation, improvement, painting or staining or any other thing that alters the appearance of any part of any Unit that can be seen from any abutting street or from any other Unit in the Condominium Plan and/or from the Common Elements of the Condominium Plan is permitted, except with the prior written consent of the Board and the Declarant (while it owns any lands or Unit within the Land) which consent may be withheld and, if given, revoked.
26. No alterations or additions to any Parking Unit or Storage Unit are permitted without the express, written consent of the Board (which consent may be refused for any reason), and subject to the strict and complete fulfillment of any requirements imposed in connection with such consent being given, and, notwithstanding such permission, such alterations or changes shall remain the property of the Owner of the Parking Unit or Storage Unit and all liability in connection therewith shall belong to such Unit Owner who shall, with respect to any damage or injury resulting from the installation, existence, use or removal of such alteration or addition, fully indemnify and hold harmless the Corporation, its Board, agents, contractors and every other Unit Occupant. This provision shall not apply with respect to any Parking Unit or Storage Unit owned by the Declarant.
27. No person shall:
- a. remove any floor covering from any floor in any Unit without immediately replacing the same with floor covering that has at a minimum the same sound attenuation qualities as the floor covering being replaced or, if required in writing by the Board, with floor covering with such superior sound attenuation qualities as may be prescribed in writing by the Board in its absolute discretion; or
  - b. install hardwood flooring, ceramic flooring or any other flooring product other than carpet in accordance with the provisions of the prior paragraph in any part of an Residential Unit without the express written consent of the Board, which consent may be arbitrarily and unreasonably withheld, unless such person is replacing existing flooring with flooring of the same type of flooring as that being replaced and such

replacement flooring has at a minimum the same sound attenuation qualities as the flooring being replaced or, if required in writing by the Board, with flooring with such superior sound attenuation qualities as may be prescribed in writing by the Board in its absolute discretion.

28. Provided further that the Board may, as a term of its consent in the foregoing paragraph, impose any conditions, restrictions or other requirements for the installation of any such flooring that the Board, in its unfettered discretion, may deem necessary. This paragraph and the foregoing paragraph are intended (without limiting the generality of the foregoing) to prevent or significantly impair noise transmission as between floors and the Residential Units within the Condominium Plan. In addition, if the Board is of the opinion that flooring in an Residential Unit has been damaged, destroyed or has worn to the point of allowing noise transmission that is unacceptable in the sole discretion of the Board the Owner of the Residential Unit shall replace the flooring in such Owner's Residential Unit with flooring that meets the specifications prescribed by the Board and within the time frame required by the Board. Without limitation of any of the foregoing, the Board has the right, if any flooring within an Residential Unit is requested to be altered, to require such work or materials as is necessary to ensure at least what is currently referenced as a IIC-55 rating is obtained.
29. There shall be no removal of any structure or feature required to be in place by any municipal, other governmental authority or governmental agency development or site plan agreement or requirement.
30. No upgrade or addition to the HVAC System servicing a Unit is permitted to be made by or for any Unit Owner, except any upgrade or addition that is pre-approved in writing by the Board. The Board is not required to approve any applications for the foregoing and any approval given can be revoked in the absolute discretion of the Board. Otherwise, the only permitted HVAC System is that installed by or on behalf of the Declarant or as upgraded, replaced or added to from time to time by the Board. If any upgrade or addition by a Unit Owner is permitted, the external elements and components thereof may only be located where permitted by the Board. This foregoing part of this paragraph is not applicable to upgraded or additional HVAC System components placed by or on behalf or with the express written permission of the Declarant. All additional or upgraded components of the HVAC System that are permitted hereunder to be made by a Unit Owner are hereby deemed to be part of the Unit so that the Unit Owner of the said Unit is responsible to maintain, insure, repair (after damage or otherwise) and replace the same as required by the Board in its discretion (exercised reasonably). Such additional or upgraded equipment must be kept in good repair by the Owner of same so that the noise from same is kept as low as is reasonably possible.
31. No changes increasing the electrical supply to a Unit are permitted unless pre-approved in writing by the Board. The Board is not required to approve any applications for the foregoing and any approval given can be revoked in the absolute discretion of the Board. The external elements and components of any permitted electrical equipment may only be located where permitted by the Board. This foregoing part of this paragraph is not applicable to electrical equipment placed by or on behalf of the Declarant.
32. There shall be no Telecommunication Device allowed within the Condominium Plan (other than if contained wholly within a Unit) without the prior written approval of the Board and then only in strict compliance with such approval. The Board has no obligation to provide such approval and any approval that the Board does give can be revoked in the absolute discretion of the Board. Without limiting the generality of the foregoing, the installation of satellites is prohibited and no other Telecommunication Device shall be permitted to be installed on the balcony or terrace adjacent to any Unit and the Board shall not approve the installation of any Telecommunication Device on the balcony or terrace adjacent to any Unit.
33. No window air-conditioners are permitted. No air-conditioning unit or heat pump or similar equipment and machinery and other noise generating equipment appurtenant to or used in connection with the Units (all of which are collectively referred to herein as AC equipment) is permitted save and except AC equipment that has been pre-approved in writing by the Board. The external elements and components of any such AC equipment may only be located where permitted by the Board. This foregoing part of this paragraph is not applicable to AC equipment placed by or on behalf of the Declarant whether before or after registration of the Unit. All AC equipment must be kept in good repair by the owner of same so that the noise from same is kept as low as is reasonably possible. All components of such AC equipment shall form part of the Unit the same service so that the Unit Owner of the said Unit is responsible to maintain, repair (after damage or otherwise) and replace

the same as required by the Board in its discretion (exercised reasonably). For clarity, this provision does not supersede section 98 of the Act in the event that the installation or replacement of the AC equipment impacts the Common Elements.

34. Each Owner of a Residential Unit must keep the balcony appurtenant to such Owner's Residential Unit free and clear of any chattels or other items other than as specifically approved in writing from time to time by the Board, which approval, if given, can be revoked. Nothing may be affixed to any surface of any balcony except with the prior written approval of the Board from time to time, which approval, if given, can be revoked. Without limiting the generality of the foregoing, there shall be no barbecuing, heating of food or cooking on any balcony area appurtenant to any Residential Unit.
35. To the extent any of the foregoing changes, if permitted, involve changes to the Common Elements, all provisions of the Act relevant to the same continue to apply without exception. For clarity and without limiting the generality of the foregoing, this means that none of the foregoing provisions of this Article waives or overrides any obligations under the Act relating to changes to the Common Elements by Unit Owners, even where such changes occur in relation to a permitted change to any part of a Unit.

### **Joining Units**

36. Notwithstanding any other provision of this Declaration, if title to two Units is held in common ownership and the Owner(s) of the same wish(es) to remove or alter such Units' boundary wall(s) and/or other components of the Units and/or portions of the Common Elements, if any, that lie between the two Units so as to permit physical passage between them, such Unit Owner(s) shall be permitted to do so, provided there is strict compliance with the following requirements:
- a. Prior to the commencement of any work, the Board, acting reasonably, must be satisfied that the use made by other Unit Occupants and/or the Corporation of the Units and Common Elements will not be unduly or unreasonably altered, disturbed or interfered with by the proposed work and that such work and the results thereof will not unduly affect the structural integrity of any Unit or of the Common Elements nor adversely interfere with the electrical, heating or other mechanical fixtures, equipment or systems servicing other Units or the Common Elements, and therefore:
    - i. Subject to the right of the Board to waive this requirement where the Board considers it appropriate to do so, the Unit Owner(s) must provide to the Board copies of all plans and specifications for the proposed alterations sufficiently in advance of the commencement of any work to give the Board a reasonable amount of time to review (with its engineering or other consultants) and comment upon such plans and specifications, which plans must (i) show in complete detail the proposed alteration(s), (ii) illustrate in sufficient detail the manner in which any other Unit and/or any servicing equipment, apparatus, systems or other portion of the Common Elements may be affected by such alteration(s) and (iii) be prepared by a duly licensed architect or engineer at the Unit Owner(s)'s expense; and
    - ii. the Unit Owner(s) shall make or have made any changes to such plans and specifications that the Board, acting reasonably, may require, and submit the same to the Board for its review before any work shall commence; and
    - iii. if required by the Board to do so, the Unit Owner must provide payment to the Board of a cash deposit or post a letter of credit or other security in favour of the Corporation that, in the opinion of the Board acting reasonably, is sufficient and satisfactory to secure any of the obligations or matters described or referred to in these provisions as a precondition to any work being commenced or completed;
  - b. the Unit Owner(s), in effecting such alteration(s), must:
    - i. comply with the provisions of all codes, rules, regulations and ordinances of any applicable governmental authority or agency having jurisdiction, and with the plans and specifications given to the Board and as revised in accordance with the Board's instructions, if any; and

- ii. take adequate measures so that any noise, interference or vibration caused to any other Unit Occupant arising from the proposed removal work is minimized; and
  - c. such Unit Owner(s) shall jointly and severally indemnify and save the Corporation harmless from and against any and all costs, damages, expenses, claims or liabilities of any kind whatsoever which the Corporation may incur or suffer as a result of or in connection with such work and shall execute any and all further assurances as the Board may reasonably require in connection therewith.
- 37. If, following the removal or alteration of such Units' walls and/or other components of such Units and/or portions of the Common Elements, if any, that lie between the two Units in accordance with the foregoing provisions of this Article II of this Declaration, it is proposed that title to the said Units should cease to be held in common ownership, then:
  - a. the removed or altered boundary wall(s) between the Units must, prior to such transfer of title (unless express permission is first given by the Board in writing for delay or deferral of such work), be restored to its/their original place, form and condition, including all Common Elements and Unit components thereof, including that the location of the wall(s) when restored must be in conformity to the location of the boundaries between the Units and between the Units and the Common Elements as set forth in the description, with such location and conformity being checked and verified by an Ontario Land Surveyor and approved by the Board, the costs of all of which shall be borne jointly and severally by the Owner(s); and
  - b. such restoration, when performed, must be performed strictly according to the same criteria and conditions set out in the foregoing provisions of this Article II of this Declaration that apply to the removal or alteration thereof, all at the Unit Owner(s) own expense, including, without limiting the generality of the foregoing, that the Unit Owner(s) may be required by the Board to provide payment to the Board of a cash deposit or post a letter of credit or other security in favour of the Corporation that, in the opinion of the Board acting reasonably, is sufficient and satisfactory to secure any of the obligations or matters described or referred to in these provisions, and that the Unit Owner(s) shall have the same joint and several obligation to indemnify the Corporation in respect of such restoration work as was to be borne by them in relation to the original removal/alteration work; and
  - c. if the restoration work is not completed in accordance with these provisions or as and when required by the Board, the Board and its contractors have the right to enter the Units in question and replace the Units' walls and/or other components of the Units and/or Common Elements, if any, that had been removed from between the two Units, all at the expense of the Owners of the said Units, whereupon, unless the amount of such expenses is immediately paid in full by the Owners of the said Units to the Corporation as and when requested by the Board in writing, equal proportions of the costs of such work shall be added to the common expenses payable for the Owners' Units and shall be considered to be common expenses in arrears owing on account of such Units such that the amounts in question can be the subject matter of a lien for common expense arrears pursuant to the Act.
- 38. The Declarant is not bound by the foregoing provisions of this Article II relating to the removal/alteration and restoration of party walls between Units, and is permitted, without requiring any further approval by the Board or any of the Unit Owners or the Corporation, to remove and, thereafter, to restore, if wanted, Unit walls and/or other components of a Unit and/or portions of the common element, if any, that lie between any two Units owned by the Declarant so as to permit physical passage between such Units, provided such removal is done in accordance with the *Ontario Building Code* and other applicable legislation and provided that the Declarant shall indemnify and save the Corporation harmless from and against any and all costs, damages, expenses, claims or liabilities of any kind whatsoever which the Corporation may incur or suffer as a result of or in connection with such work and shall execute any and all further assurances as the Board may reasonably require in connection therewith.

### ARTICLE III: ACCESS TO UNITS AND COMMON ELEMENTS

#### Access by Declarant

1. Notwithstanding any other provisions of this Declaration, the Declarant is entitled to complete all buildings and all improvements to the property, enter onto the Common Elements and Units to complete the Condominium Plan, display signage on the Common Elements, maintain and use Units as models for display and sale purposes, to have potential purchasers and tenants visit any Units owned by the Declarant (including viewing the Common Elements and passing across same and using parking areas designated by the Declarant), and otherwise maintain construction offices, displays and signs on the Common Elements and in the Units owned by the Declarant, until all Units in the Condominium Plan have been sold by the Declarant. Nothing in this declaration or otherwise shall prevent or hinder the foregoing. With respect to such facilities and use, the Declarant, subject to the right to use the same as set out above, must otherwise comply with this Declaration, all enforceable rules and by-laws and the Act and act reasonably. In addition, reasonable use of exterior lighting by the Declarant will not be considered a nuisance to other Owners. The Declarant is obligated to pay the common expenses attributed to any Unit which it owns despite the fact it may be using such Unit in accordance with the provisions of this paragraph.

#### **Access by Corporation**

2. In addition to its general rights of access upon reasonable notice under the Act, in the case of an emergency, one or more members of the Board, the management company, if any, and/or an agent or contractor of the Corporation may enter any Unit at any time and without notice for repairing or inspecting the Unit or the Common Elements, or for correcting any condition that might result in damage or loss to the property or injury or other harm to an individual on the property. If the keys to the Unit and the security codes required to deactivate all alarms for the Unit have not been provided to the Board and the Board is unable in the time frame necessary for access to occur to reach any contact person who can provide access whose name has been provided by the Unit Owners for that purpose or after reaching such person access is not provided in the time frame deemed (by the Board in its sole discretion) to be necessary for access, the Board and/or its manager and/or its agents and contractors are authorized to use such force as is necessary to permit access to the Unit with the costs of repairing the damage so caused and any charges from any alarm company being the responsibility of the Corporation, subject to indemnification by the Owner in accordance with the further provisions of this Declaration where the cause of such forced entry is attributed to the act or omission of the Owner.
3. The Corporation is entitled to retain a key and/or access code to all locks in the doors of each Unit. Unit Owners shall provide the same forthwith upon request by the Board and shall provide the Board with the codes necessary to deactivate any security alarm situate in a Unit and update the same if changed. No one shall change any lock or place any additional locks on the doors to any Unit or in the Unit without immediately providing the Corporation a key for each new or changed lock.

#### **Access by Others**

4. Each Unit and the Common Elements are subject to a right of access in favour of the Declarant, the Corporation, the Town of Milton, Halton County, utility companies servicing the Lands, and other Unit Occupants to permit entry by persons, equipment, machinery and workers as is reasonably required to do work with respect to such Unit, other Units or the Common Elements generally. Each Unit and all of the Common Elements are also subject to a right of entry and access in favour of the Corporation, of all utility companies and companies that supply television and/or telephone facilities (including, without limiting the generality of the foregoing, Union Gas Limited, Bell Canada, Rogers Cable Communications Inc., and any successors and assigns thereof and any cable or other television signal supplier), and of any Municipality providing utility services (such as water or wastewater services) to permit entry by equipment, machinery and workers as is reasonably required to install, construct, repair, replace, modify, upgrade, renovate, improve and/or maintain any and all pipes, wires, ducts, cables, conduits, sewers (both storm and sanitary), service connections, electricity transformer(s), telecommunication signal transmission and reception facilities and lines, water mains, telephone cables and access transmission lines and public utility lines that, without limiting the generality of the foregoing, provide or transmit power, communication facilities, water, fuel, and/or sewage disposal, provided same service more than one unit. In addition, any supplier of utilities such as water or gas has the right to place and maintain electricity or other meters (which term includes appurtenant equipment, wiring, transmission lines and any other thing necessary for same to properly function for the purpose for which the meters are intended), for one or more units on any wall(s) of any of the buildings within the Condominium Plan including those within any Unit boundaries and the further right to maintain, repair, replace, modify, inspect and read such

electricity or other meters from time-to-time as it deems appropriate. Any utility company and/or company supplying television and/or telephone facilities is entitled to affix such equipment as it deems appropriate to outside walls. No Unit Occupant shall interfere with or do or omit to do anything that could reasonably be expected to impair the ability of the same to perform the function(s) intended. There shall be no construction proximate to such pipes, equipment, meters, vents, wires, ducts, cables, drains, conduits, service connections, mains for sewer and storm water, electricity transformer(s), water mains, telephone cables and access transmission lines and public utility lines (including all appurtenances to any of the foregoing) that could damage the same or impair the ability of the same to function as intended. Access to the meters shall be in accordance with any regulations which the utility responsible for reading the meter may have in effect or be subject to from time-to-time. No meter shall be hidden, obscured or blocked so that it cannot be easily and conveniently read by the person charged with the responsibility to read such meter. The Declarant (including any successor) and the Corporation has the right to enter any Unit and install any pipes, vents, meters, wires, ducts, cables, drains, conduits, service connections, equipment and/or mains. If, as a result of future construction of any building or part thereof on this Condominium Plan, it is necessary to relocate any Bell Canada telecommunications facilities such relocation (if it can be accommodated by Bell Canada) will be at the sole cost and expense of the Corporation. If for any reason it is necessary to relocate facilities owned by Milton Hydro Distribution Inc., as a result of future construction of any building or part thereof on this Condominium Plan such relocation (if it can be accommodated by Milton Hydro Distribution Inc.) will be at the sole cost and expense of the Corporation.

5. The Corporation as a result of requesting Union Gas Limited to supply the Corporation with natural gas, hereby grants to Union Gas Limited a free, uninterrupted and unobstructed right and license in perpetuity to enter upon the Common Elements for the purpose of surveying, constructing, laying, using, installing, repairing, inspecting, replacing, removing, renewing, expanding, enlarging, altering/reconstructing, operating and maintaining gas lines in, on and under the said Common Elements, together with all necessary appurtenances, works, attachments, apparatus, appliances, markers, fixtures and equipment which Union Gas Limited may deem necessary or convenient thereto for the purpose of the furnishing of natural and/or manufactured gas to the Lands and to any buildings or other sources of outlet from time-to-time existing upon the Lands, together with the right of free uninterrupted and unobstructed access to the said Lands, and sources of outlet for Union Gas Limited, its servants, agents, workmen, vehicles, supplies and equipment at all times and for all purposes and things necessary for or incidental to the exercise and enjoyment of the right hereby given.

#### **ARTICLE IV: MAINTENANCE AND REPAIRS**

##### **Units, Generally**

1. Each Unit Owner must maintain and repair after damage (as such terms are defined in the Act) such Owner's Unit, and any and all improvements to such Unit (meaning, for clarity, such components of the Unit as are defined as "improvements" pursuant to the standard unit definition applicable to the Unit in question), and, without limiting the generality of the foregoing and for clarity only, everything therein and all components of and systems servicing such Unit that are within the Unit boundaries and form part of the Unit.
2. The Board, acting reasonably, is empowered to require maintenance, repair and/or replacement by the Unit Owner of any component of a Unit and to specify, in its sole discretion, the person, contractor or company to effect such maintenance, repair and/or replacement.
3. If a Unit Owner fails to maintain or repair after damage improvements to such Owner's Unit, and where the Board has determined that such failure gives rise to a risk of injury or damage to persons or property on or comprising the Condominium Plan, the Corporation may, in the sole discretion of the Board, effect such maintenance or repairs and the costs thereof shall be added to the common expenses payable for the Unit in question.
4. As high humidity levels within a Residential Unit can cause damage to the physical structure thereof and to other Units and Common Elements and/or give rise to conditions that promote the presence of and spread of mould it is essential that the levels of humidity within any Residential Unit be kept below the level at which damage or mould can occur. Humidity levels can be caused or contributed to by the actions or omissions of Unit Occupants. The Board is entitled to inspect each Residential Unit as it sees fit from time to time and monitor humidity levels within any Unit. All Unit Occupants must comply with any requirements of the Board

from time to time as to doing or omitting from doing things or activities that the Board advises may cause or contribute to humidity levels higher than those prescribed by the Board. By way of example only the Board may require that fans or other air exchange devices be run during or following showering in order to force high humidity level air from the Residential Unit, that all clothes dryers be vented to the outside, that no clothes drying take place within a Residential Unit except within an externally vented clothes dryer, if any.

5. As cool temperatures in a Residential Unit can,
  - a. cause heat loss to nearby Units and Common Elements,
  - b. cause damage to components of the Unit, and/or
  - c. lead to freezing water pipes,

each Unit Owner is responsible for ensuring that the temperature in such Owner's Residential Unit does not fall below 15 degrees Celsius at any time. The Corporation shall, to effect and maintain such temperature, be entitled to repair and if necessary replace the heating apparatus with respect to any such Unit at the expense of the Unit Owner in question. Any costs incurred by the Corporation in maintaining the temperature within a Residential Unit to at least fifteen (15) degrees Celsius (including maintenance, repair or replacement of the heating apparatus) shall be payable by the Unit Owner forthwith upon the expenditure being incurred. If the Unit Owner does not pay the cost of maintaining the temperature in the Unit to fifteen (15) degrees Celsius and the Corporation does have to expend money to do so, then, the monies expended by the Corporation shall be deemed to be a common expense and an item of repair for which the Unit Owner is solely responsible. The cost can therefore be subject to a lien pursuant to the Act.

#### **Life Safety Warning Devices, Other Devices and Unit Systems**

6. Each Residential Unit shall be equipped at all times by the Unit Occupants with smoke detectors, fire detectors, carbon monoxide detectors and other life safety warning devices as are prescribed by the applicable governmental legislation, regulations and building or other codes, and as a prudent and careful owner or occupant would require, and/or as may be required by the Board, the Corporation's and/or Unit Occupants' insurers from time-to-time (the foregoing being collectively referred to herein as "Life Safety Warning Devices"), as well as dryer duct hoses on clothes dryers, chimney flue sleeves, ventilation ducts, water hoses and hose fastening devices and mechanisms on water using appliances (such as, for example only and without limiting the generality of the foregoing, clothes washers, dishwashers, water softeners and/or water heaters) and other similar devices (the foregoing being collectively referred to herein as the "Other Devices") as are prescribed by the applicable governmental legislation, regulations and building or other codes, and as a prudent and careful owner or occupant would require, and/or as may be required by the Board, the Corporation's and/or Unit Occupants' insurers from time-to-time.
7. The Life Safety Warning Devices and Other Devices shall be kept by the Unit Owner in good operating condition and fully powered (as applicable) at all times.
8. Other than where or to the extent that this Declaration or the Act expressly provides that the Corporation has responsibility for repair of the same after damage, each Unit Owner must effect such repairs, replacements and maintenance in respect of such Unit Owner's Residential Unit's electrical systems, plumbing mechanisms and systems, water softener, dish washers, water and air heating and/or air-conditioning mechanisms and systems, ventilation systems, clothes dryers and drying devices, and dryer ducts, range hood vents, fireplaces and fireplace flues and chimney components (if any), (the foregoing being collectively referred to herein as the "Unit Systems") hoses and hose fastening mechanisms (i.e., for dishwashers, water softeners, water heaters and/or washing machines) and the Life Safety Warning Devices and the Other Devices servicing such Unit, as a prudent and careful owner or occupant would require, and as may be required by the Board, the Corporation's and/or Unit Occupants' insurers from time-to-time and/or as may be prescribed by the Board servicing such Unit Owner's Unit as directed by the Board at the cost of the Unit Owner of the Unit.
9. ### **Common Elements**

13. The Corporation is responsible for maintenance and repair after damage of the Common Elements subject to the other relevant provisions of this Declaration.

14. Notwithstanding the foregoing:

- a. Each Unit Owner must maintain and repair after damage (including repair or replacement after wear and tear and/or damage) those parts (if any) of the Common Elements designated for the exclusive use of the Unit Occupants of the Owner's Unit in accordance with the relevant provisions of the Act;
- b. each Unit Owner shall be responsible to keep clean the interior surfaces of all doors and windows providing ingress to and/or egress from such Owner's Unit; and

15. Without limiting the generality of the foregoing, the Corporation is responsible for:

- a. the removal of snow from the parking areas and all of the common element roadways, driveways, entranceways, and walkways appurtenant to the building, subject to the limitations set out in this Declaration;
- b. all grass cutting, other lawn care and landscaping of lawn areas and other plantings on the Common Elements.

16. All walkways and parking areas of the Condominium Plan are to be kept void of any obstructions at all times other than permitted motor vehicles in designated parking areas. No Unit Occupant shall cause or permit any obstruction to be placed or left anywhere on the walkways contrary to the foregoing. The Corporation is not responsible to remove snow and ice or to perform grass cutting where there is any obstruction (including, for example only and not intending to limit the generality of the foregoing, vehicles, equipment, debris, children's toys, animal waste, etc.) that in any way inhibits the ability to ordinarily perform such work with regular, full-sized mechanized equipment. If the Corporation incurs additional costs to effect snow removal or grass cutting or other such work on account of obstructions, foreign materials or inaccessibility, all such costs shall be considered common expenses payable, in the case of a parking space, by the Owner of the Unit whose occupants the use of the space has been specifically designated, and in all other cases by the Unit Owner determined to be responsible therefor, and such additional costs shall be added to the amounts owing by such Unit Owner on account of common expenses.

17. Where the frame and wire or other construction forming the perimeter of a Storage Unit, including the door or gate providing access thereto and associated hardware, is damaged or otherwise in need of repair, the Owner of such Unit shall report the same immediately upon becoming aware of the same.

### **Provisions Relating to Sump Pumps**

### **Garbage and Recycling**

19. Each Unit Owner shall be responsible to arrange for removal of garbage and recycling materials from such Owner's Unit. No garbage, garbage containers or recycling materials or recycling containers shall be left on any part of the Common Elements except at such places and such times as are designated or expressly in writing approved by the Board.
20. The Board shall determine from time to time the manner in which garbage refuse and municipally approved recycling materials are collected from the property.

### **Insurance**

21. With respect to any portion(s) of a Unit that it is not the responsibility of the Corporation to insure, the Corporation may require the Owner of such Unit:
  - a. to maintain such insurance as the Corporation is of the opinion, acting reasonably, is necessary to insure the property on a replacement cost basis; and
  - b. to provide proof of adequate insurance at any time or times by the Corporation;

and if a Unit Owner does not maintain insurance which, in the opinion of the Corporation, is adequate to provide the replacement cost of such portion(s) of the Unit, the Corporation may obtain such insurance at the cost of the Unit Owner and the cost of same shall be a common expense for which the Unit Owner is responsible.

The Corporation must act reasonably in its requirements for insurance in accordance with this provision of this Declaration and give prompt written notice to all mortgagees of the Unit if it requires a Unit Owner to obtain adequate additional insurance as set out herein.

## **ARTICLE V: UTILITIES**

### **Metering**

1. If usage of gas, electricity, water and/or any other utility supplied to a Unit is separately metered for each Unit, the costs thereof are to be paid by the Owner of the Unit to which the same are supplied and do not form part of the common expenses or budget of the Corporation.
2. If any such utility service supplied to the Units is "bulk metered" by the supplier of same, the cost thereof shall be included in the common expenses for the Corporation, unless and until the municipality or supplier of the same shall install individual meters and charge for the supply thereof in accordance with the measurements on such meters, whereupon paragraph 1 of this Article shall apply in respect of the payment for usage of such utility supply. Additionally, the Declarant or the Corporation may elect to have installed, and to measure the usage of any bulk metered utility supplied to the Units by, private flow meters (or such other devices as permit recording of such supply to individual Units). If this is done and the same are installed and operating, the following provisions which shall apply and be in force and effect from the time that such private flow meters or other similar devices are installed and operating:
  - a. Each Unit Owner is responsible to pay the cost of the utility supplied to such Owner's Unit as determined by the Board, which determination shall be based on the amount of such utility supplied by reference to the said meter or other similar device for such Unit. For the purposes of collecting such payments, the Board may in its sole discretion acting reasonably estimate an amount to be paid each month by the Owner(s) of each Unit and shall then make an annual or other periodic adjustment (the actual timing thereof to be determined by the Board in its sole discretion) in accordance with the actual charges by the supplier of such utility and the amount of such utility supplied to each Unit as determined by the Board's reading of the said meters or other similar devices.
  - b. The monies to be paid for such utility pursuant hereto shall not be considered a budget item for the determination of the common expenses of the Corporation and no credit for any payment made by an Owner in accordance with these provisions shall be applied against such Owner's obligation to pay common expenses. However, any monies owing for such usage metered by private meters or other similar devices shall be a debt owed to the Corporation by the Owner(s) of the Unit in respect of which such usage is

measured and shall be collectible as if the same were common expenses in arrears and for such purposes only shall be considered common expenses and therefore the subject matter of a lien pursuant to the Act if not paid upon request by the Board. Interest will accrue on arrears of monies owing for such utility service usage at the same rate as interest accrues on arrears of common expense payments.

### **Access**

3. Access to the Units for the installation, replacement, repair, maintenance, upgrade and taking readings of such private flow meters, including any replacement thereof with meters installed by the municipality or utility supplier, is granted pursuant to paragraphs 4 and 5 of Article III of this Declaration and this paragraph.

### **Payment by Corporation**

4. Although the Corporation shall not be obligated to pay any part of an Owner's arrears or other payments required from the Owner by the Municipality or supplier in connection with any utility service, the Corporation may in its sole discretion elect to do so. In the event the Corporation does pay any part of an Owner's arrears or other payments required from the Owner by the Municipality or supplier in connection with a utility service, such amount as well as any other costs, expenses or charges that arise on account of any act or omission of or by a Unit Occupant with respect to the supply of any utility service to the Unit in which such Unit Occupant resides, shall be the responsibility of the Owner who owns the Unit in question to repay to the Corporation and shall constitute common expenses of such Unit which are to paid as and when required by the Board and may be the subject of a lien pursuant to the Act if not paid as and when required by the Board.

## **ARTICLE VI: PETS**

1. Any reference herein to the keeping of any pet or a pet being kept shall include a pet which is considered to be visiting in any Unit of this Condominium Plan or any part of the Common Elements of this Condominium Plan.

### **Permitted Types and Breeds**

2. The only pets that can be kept within a Unit, subject to the further limitations set out in this Declaration and/or the Rules, are:
  - a. one small dog (the weight of which may not exceed 20 kg.) or up to two cats or one such small dog and one cat; and/or
  - b. a reasonable number of small birds (e.g., parakeets, budgies, canaries and the like) kept caged within a Unit; and/or

  - d. usual children's pets, such as, for example only, gerbils, hamsters, rabbits and guinea pigs, in such numbers and subject to such other restrictions as may be prescribed by the Board from time-to-time; and

except as stated herein, no animal, bird, insect or reptile, whether or not considered a pet, may be kept anywhere within this Condominium Plan. The Board is entitled to establish by resolution from time to time one or more lists identifying types of permitted or non-permitted pets consistent with the foregoing and further provisions of this Declaration and the Rules.

3. Despite any of the foregoing, because the presence of certain breeds of dogs or aggressive dogs or dogs which give the impression of being aggressive may give concern to other Unit Occupants, there shall be no dog allowed anywhere on this Condominium Plan of, or which are a cross of including one or more of, the following breeds or types: Pit Bull; Rottweiler; Doberman; Akita; or any sort of guard dog or dog originally bred for fighting or such other breed as the Board may determine from time-to-time. In addition, no dog which appears, in the opinion of the Board to be aggressive or threatening or to be acting aggressively or in any sort of a threatening manner is allowed anywhere on this Condominium Plan (i.e., neither on the Common Elements nor in the Units). It is within the Board's uncontrolled and absolute discretion to determine what breeds and what specific dogs are not permitted on this

Condominium Plan, which discretion is not subject to being explained or questioned.

4. The Board has the absolute jurisdiction and authority to determine if any dog is a member of a prohibited breed or a cross breed whose lineage includes a prohibited breed and to require the permanent removal of such dog from the property, provided that, upon the Board notifying a Unit Occupant that a determination has been made with respect to a dog that appears to reside in or visit such Unit, the Board may in its sole discretion give the Unit Occupant an opportunity to challenge such determination by submitting one or the other of:
  - a. a certified pedigree issued by the Canadian Kennel Club that positively identifies the dog in question by tattoo or microchip and confirms that such dog does not have any of such prohibited breeds in its pedigree; or
  - b. a completely unqualified written certificate to the Corporation that states therein the Corporation is entitled to rely on same from a veterinarian that certifies there is no doubt of any nature or kind that:
    - i. the dog examined by the veterinarian is the dog that has been designated by the Board as being a member of a prohibited breed or a cross breed whose lineage includes a prohibited breed; and
    - ii. such dog is not a member of a prohibited breed or a cross-breed whose lineage includes a prohibited breed.

No other evidence shall be considered by the Board to support any such permitted challenge. Such evidence shall not be relevant to a demand for removal from the Condominium Plan of a dog that the Board has determined to be aggressive or threatening or to be acting aggressively or in any sort of a threatening manner and the Board shall not be required to otherwise explain or justify its decision to order such removal.

#### **Care and Handling**

5. Pets must be accompanied by a Unit Occupant and kept on a leash held by a person and under reasonable control when not present in such pet's owner's Unit so as to not be a nuisance or cause irritation to other Unit Owners and/or Unit Occupants.
6. If any pet should defecate in any area located within the Condominium Plan, the person accompanying the pet shall immediately clean up the soiled area and has a duty to do so. The Board has the right to collect the costs of actual clean-up of any defecation left anywhere within this Condominium Plan from the Unit Owner of the Unit in which such pet resides or visits in the event that the person accompanying the pet fail to immediately clean up the soiled area, with such costs being deemed to be a common expense and an item of repair for which the Unit Owner is solely responsible.
7. It is the responsibility of the Unit Owner to ensure that no pet being kept within such Owner's Unit causes any disturbance or nuisance including, without limitation, excessive noise or offensive odour.
8. No pet is permitted to be kept anywhere on the Condominium Plan that is:
  - a. Not permitted pursuant to the provisions of this Declaration;
  - b. not kept in a manner consistent with the provisions of this Declaration or the Rules; or
  - c. deemed by the Board (in its absolute discretion) to be to be a nuisance (including but not limited to being the cause of any excessive noise or offensive odour as determined by the Board).

The Board can require any such pet to be removed from the Lands. The pet in question must be permanently removed from the Condominium Plan within fourteen (14) days from the date such order is delivered to a Unit Occupant of the Unit in which such pet resides or visits.

#### **Medically Necessary Exceptions**

9. Any restrictions, rules or prohibitions with respect to pets are subject to one or more exceptions which can be made for medical reasons in the discretion of the Board reasonably exercised,

upon receipt of adequate documentation including without limiting the generality of the foregoing, evidencing:

- a. that a dog (or other suitably trained animal) which would otherwise be prohibited is a trained seeing eye dog or trained seeing eye animal, and is necessary to any person with a right of access to the Common Elements of this Condominium Plan;
  - b. that a dog (or other suitably trained animal) which would otherwise be prohibited is a trained hearing ear dog or trained hearing ear animal and is necessary to any person with a right of access to the Common Elements of this Condominium Plan;
  - c. that an animal which would otherwise be prohibited, is trained and used to assist a Unit Occupant with normal day to day activities that such Unit Occupant, because of a physical disability, is unable to perform for him or herself, such as retrieving items, turning on and off of lights, assisting in propelling a wheel chair and other acts of a similar nature.
10. The necessity of a seeing eye dog (or other suitably trained animal), hearing ear dog (or other suitably trained animal) or other animal which would otherwise be prohibited, accompanying a person with a right of access to the Common Elements of this Condominium Plan must be established by sufficient documentary medical evidence of a physician licensed to practice in the province of Ontario. In addition, while one or more exceptions may be made as aforesaid, any such animal must be kept under reasonable control and not cause any undue disturbance or annoyance to any other Unit Occupant.
11. The Board has the discretion but not the obligation to permit other pets that might otherwise be prohibited, if the need for such other pet is established by sufficient documentary medical evidence of one or more licensed physicians in the province of Ontario.

## **ARTICLE VII: PARKING**

### **General**

1. For the purposes of this Article, "motor vehicle" means a regular passenger automobile, motorcycle, van, sport utility vehicle or pick-up truck, and does not include any Recreational Vehicle, commercial vehicle or equipment.
2. Only motor vehicles that are operable, with a current motor vehicle license and such insurance as is required to permit the operation of that motor vehicle on the highways of Ontario, may be parked or driven anywhere on the Condominium Plan. Without limiting the foregoing, there shall be no vehicles parked in the Condominium Plan, other than as necessary for pickup or delivery of goods, of the type commonly known as a transport truck or of any other vehicle whose primary purpose is the carriage of goods or materials as opposed to the transport of people for non-commercial purposes.
3. In the absence of the prior written permission of the Board, motor vehicle(s) of a Unit Occupant may only be parked in a Parking Unit owned by the Unit Owner of the Unit in which such Unit Occupant is a resident. No motor vehicle of a Unit Occupant may be parked or left on any portion of the Common Elements except with the written permission of the Board.
4. No motor vehicle may be parked or left on any portion of the Common Elements by anyone except with the prior written permission of the Board, which permission can be revoked. Written permission can include signage designating parking for certain purposes or persons including permitting parking in areas designated for use by visitors.
5. The Board may from time to time regulate and allocate the use of parking spaces contained on the Land, not designated for use by Unit Occupants by permitting the lease or license of the same to such residents of this Condominium Plan on such terms as may be determined by the Board from time to time.
6. There shall be no parking or storage of derelict and/or All-Terrain Vehicles and/or Recreational Vehicles of any kind and/or trailers of any kind other than as permitted in the rules and/or boats and/or tractors (including lawn tractors), machinery or other equipment or any other item of any kind anywhere on this Condominium Plan except that Unit Occupants may, subject to obtaining the prior written consent of the Board, park a Recreational Vehicle, at their Unit for

the purpose of loading, unloading and/or cleaning immediately before or after a trip for a period of time not to exceed twenty-four (24) hours in any seven (7) day period.

7. The Board has the right to prohibit the parking within this Condominium Plan of any vehicle that is fuelled by other than gasoline, diesel fuel or electricity exclusively (or by a combination of the foregoing fuels), if the Board, acting reasonably, is of the view that such vehicle's presence within the Condominium Plan could pose a danger the buildings and/or any of the Unit Occupants.
8. One (1) or more of the parking spaces to be created within this Condominium Plan will be designated as "Handicapped Parking Space(s)". The Board is authorized and empowered to allocate or license any such designated Handicapped Parking Space(s) for use by one or more Unit Occupants of the Condominium Plan and it is expected that such use will likely be restricted to persons who are entitled to make use of municipal handicapped parking spaces. The Board is entitled to charge a fee for such use as a precondition to such use. No Unit Occupant has any rights to make use of any such designated Handicapped Parking Space. The Board has discretion to decide who is to use such Handicapped Parking Spaces and on what terms and for what period of time and to revoke any permission given to use the same. The Board has the right, as a condition of such approval, to require any Unit Occupant who is allocated the use of a Handicapped Parking Space to give up such Unit Occupant's rights to any other parking space that such Unit Occupant has the right to use and allow the same to be used for other parking as determined by the Board from time to time for so long as the Unit Occupant has the use of a Handicapped Parking Space. The discretion of the Board in this regard includes the right to allow the use of any such Handicapped Parking Space(s) by visitors to the Condominium Plan who may or may not be considered handicapped or otherwise qualify to use the same on account of the designation as being reserved for persons considered "handicapped".

#### **Visitor Parking**

9. In the absence of the prior written permission of the Board, only bona fide visitors (as determined by the Board in its absolute discretion) to a Unit may use the areas marked for visitor parking.

### **ARTICLE VIII: INDEMNITY**

#### **General**

1. Each Unit Owner shall indemnify the Corporation and as the case may be other Unit Owners against loss, costs, damage or injury caused to the Common Elements or Units because of any act or omission of any Unit Occupant of the said Unit Owner's Unit.
2. A Unit Owner shall also indemnify the Corporation for its legal costs and disbursements (including legal fees on a solicitor and client basis) incurred:
  - a. in effecting compliance by the Unit Owner or any Unit Occupant of the Unit Owner's Unit with the provisions of:
    - i. the Declaration, by-laws, rules and/or the Act;

    - iv. any negative restrictive covenant agreements and/or building schemes to which one or more of the Units and/or all or part of the Common Elements of this Condominium Plan and/or any of the assets of the Corporation (if any) is subject; and/or
  - b. in obtaining advice, reports, opinions or other services of any professional including without limitation a lawyer, public accountant, auditor, engineer or appraiser, on

account of the excessive, unreasonable, unmerited, frivolous or vexatious demands or inquiries or other acts or omissions of the Unit Owner or any Unit Occupant or Visitor of the Unit Owner's Unit; and/or

- c. in bringing any court or tribunal application or other legal action involving the Unit Owner and/or a Unit Occupant of the Unit Owner's Unit pursuant to the Act or on account of the provisions of this Declaration; and

for the purposes of sub-clause b of this paragraph, the Board has the unfettered discretion, acting reasonably, to determine whether the demands or inquiries or other acts or omissions of a Unit Owner or any guest or occupant of the Unit Owner's Unit are excessive, unreasonable, unmerited, frivolous or vexatious, and to determine the amount of its costs of the applicable professional's services that should be attributed to the Unit Owner's account.

3. Each Unit Owner is responsible for indemnifying the Corporation in accordance with the foregoing provisions even if the Unit Owner is not in possession of the Unit but has leased the same or granted any other right of occupation with respect to same.

### **Mediation**

4. In the event of mediation involving the Corporation and a Unit Owner, if the mediator or a settlement agreement pertaining to the mediation requires that all or part of the costs of such mediation are the responsibility of the Unit Owner, the costs that are so found to be, or agreed to be, the responsibility of the Unit Owner may be paid by the Corporation in the absolute discretion of the Board. If any such costs are so paid by the Corporation, the amount so paid shall be added to the Common Expenses payable for the Owner's Unit. In such event the Board may send notice to the Unit Owner advising that the amount has been paid and specify a time for reimbursement thereof by the Unit Owner to the Corporation, and if such amount is not paid by the time so specified such amount shall be considered and for all purposes be common expenses in arrears owing on account of such Unit Owner's Unit as of the date on which such payment was due.

### **Requests for Records**

5. In the event of a request for copies of any records of the Corporation pursuant to section 55 of the Act the Corporation is entitled to require payment of a fee to compensate the Corporation for labour and copying charges. In the event such fee is charged and is not paid by the time specified by the Board, the said fee shall be considered to be common expenses in arrears owing on account of the Unit associated with the party requesting such copies and therefore the amount of such fee can be the subject matter of a lien for common expense arrears pursuant to the Act.

### **Damage**

6. If damage should occur to part of the Common Elements and:
  - a. was caused by an act or omission of a Unit Occupant or Visitor; and
  - b. was not caused by the Corporation or any agent or employee thereof while acting in the service of the Corporation;

then the amount that is the lesser of the cost of repairing the damage and the deductible limit of the Corporation's insurance policy (regardless of whether or not a claim is made or proceeds are paid under the Corporation's insurance policy) will be the responsibility of the Unit Owner who owns the Unit in which the Unit Occupant or Visitor responsible for the damage resides or is/was visiting to pay to the Corporation, and the same shall be added the common expenses owing by the Unit Owner on and shall be considered and for all purposes be common expenses in arrears as of the date of demand by the Board and therefore capable of being recovered by the Corporation in accordance with the lien provisions of the Act.

7. If damage should occur to a Unit, and:
  - a. such damage was not caused by the Corporation or any agent or employee thereof while acting in the service of the Corporation; and
  - b. such damage or any part thereof is repaired at the expense of the Corporation,

the amount that is the lesser of the cost of repairing the damage and the deductible limit of the Corporation's insurance policy (regardless of whether or not a claim is made or proceeds are paid under the Corporation's insurance policy) will be the responsibility of the Owner who owns the damaged Unit and shall be added to the common expenses payable on account of such Unit.

- 8. With respect to any obligation of a Unit Owner to reimburse or pay the Corporation on account of damage to any Unit or the Common Elements, whether set out herein or the By-laws of the Corporation or in or pursuant to the Act, in the event such Owner has any right to be indemnified by another Unit Occupant or any other person, this shall be between the Owner and such other Unit Occupant or other person and shall not involve the Corporation or affect the Owner's said obligation to reimburse or pay the Corporation.

**Amounts Deemed to Be Common Expenses**

- 9. Any amount(s) that a Unit Owner is responsible to pay to the Corporation pursuant to any of the provisions of this Declaration shall be paid forthwith upon request by the Board for payment, failing which the said amount(s) shall be added to the common expenses payable by the Unit Owner to the Corporation and shall be considered and for all purposes be common expenses in arrears as of the date of demand by the Board and therefore capable of being recovered by the Corporation in accordance with the lien provisions of the Act.

**Schedule E****COMMON EXPENSES**

“Common Expenses” means the expenses related to the performance of the objects and duties of the Corporation and includes all expenses specified as Common Expenses in the Act or in the Declaration of which this is schedule forms a part, including (without limiting the generality of the foregoing):

1. Anything that is determined by By-law to be a Common Expense.
2. Interest on Common Expense arrears calculated monthly from the date the Common Expenses were due at two percent above the commercial rate of interest per annum established and reported by any one of the five (5) largest chartered Canadian banks chosen by the Board in its absolute discretion from time-to-time as a reference rate of interest for the determination of interest rates that such chosen bank charges to customers of varying degrees of credit worthiness in Canada for Canadian dollar loans made by it in Canada as of the date that the Common Expenses in question were due. Such interest shall be deemed to be part of the Common Expenses that are in arrears. Any lien that arises because of the failure of a Unit Owner to pay Common Expenses when due shall also include such interest. Such lien is not released until such interest is paid. If this rate of interest is not capable of being determined for any reason or is no longer in existence, the Corporation shall have the right to establish a rate of interest in lieu thereof by By-law. In such event all references to a rate of interest in the foregoing shall mean the rate of interest established by By-law.
3. A surcharge imposed by the Board, in its sole and absolute discretion, on the Owner(s) of any Unit, if any Unit Occupant(s) of such Unit is determined, by the Board in its sole discretion, to be using an excessive amount of any Corporation provided service, facility or utility (meaning any service, facility or utility paid for by the Corporation), which the Board is hereby empowered to impose. The amount of such surcharge shall be an amount that the Board of Directors in its absolute discretion determines represents the value or cost of the excess use by the Unit Occupant(s) of the Unit in question of any Corporation provided service, facility or utility and shall be considered Common Expenses owing by the said Unit Owner(s) which are due upon written demand for payment being made by the Board.
4. Any monies owing by a Unit Owner to the Corporation which are deemed in this Declaration to be common expenses owing by a Unit Owner or stated in this Declaration to be common expenses owing by a Unit Owner or added to an Owner’s contribution to common expenses may be subject to a lien pursuant to the Act and shall be considered due upon the invoice for same being presented or delivered to the Unit Owner or mailed to the address maintained pursuant to Section 47 of the Act for the Unit Owner if such address has been provided by the Unit Owner, failing which the invoice for the foregoing shall be considered presented or delivered to the Unit Owner by leaving same at or mailing same by registered mail or ordinary mail to the Unit owned by such Unit Owner. In the event of mailing, the invoice shall be deemed to be presented or delivered to the Unit Owner on the day of mailing.

e. *(Deemed resignation)*

- forthwith upon becoming a party (be it applicant, plaintiff, complainant, defendant, respondent or otherwise) to a law suit or application wherein the Corporation is an opposing party to such Director.

**Article III. Meetings of the Board**

a. *(Frequency, Time and Location of Meetings of the Board)*

The Board may by resolution determine the frequency, times and specific locations of its meetings, provided that the Board shall meet not less than once in every three-month period within any fiscal year of the Corporation.

No notice of the time, date or place of a meeting need be given to any Director who was present at the meeting when the resolution with respect to the same was passed.

Any Director may propose a time, date and location for a meeting of the Board by providing notice thereof in accordance with the provisions of this by-law and the Act, which notice shall include an explanation of the purpose and proposed business of such meeting, and attendance at such proposed time, date and place by a quorum of the Board shall cause such meeting to be deemed to have been validly called and duly constituted notwithstanding the absence of any other member(s) of the Board.

b. *(Means of giving notice to the Directors of meetings of the Board)*

Notice of meetings of the Board is to be given in writing to each Director by:

- personal delivery of the notice of meeting at least forty-eight (48) hours before the time when the meeting is to be held;
- mailing the notice of meeting by ordinary mail at least seven days before the time when the meeting is to be held;
- facsimile (telecopier) transmission at least forty-eight (48) hours before the time when the meeting is to be held; or,
- any other generally accepted means of giving notice, electronic or otherwise as well as any means of notice that the Director to be given notice has agreed to in writing provided that such notice is given at least forty-eight (48) hours before the time when the meeting is to be held.

Notice is to be directed to the Director at the latest address, facsimile or electronic mail address of the Director as shown on the records of the Corporation.

c. *(Potential for meetings of the Board to be held by conference telephone call)*

One or more Directors may participate in a meeting of the Board by means of such teleconference or other form of communications system that allows all persons participating in the meeting to communicate with each other

simultaneously and instantaneously. Any Director participating in a meeting by such means is deemed to be present at the meeting.

Notwithstanding the foregoing, all of the Directors must consent in writing to such means of holding a meeting generally or in respect of a particular meeting. Such consent is effective whether it is given before or after the meeting to which it relates. A general written consent to such form of meeting need only be given once by a Director and is effective for all subsequent meetings of the Board unless and until cancelled by an instrument in writing delivered to the Board by the Director in question.

#### **Article IV.      Meetings of Owners**

a.      *(Meetings to be held locally)*

After the turn-over meeting of the Corporation, all meetings of owners are to be held within the municipality in which the Condominium is situate or, at the discretion of the Board, the geographical region in which the majority of owners reside, and at such specific locations as the Board may determine by resolution in accordance with the further provisions hereof. Until the turn-over meeting of the Corporation meetings of the owners may be held anywhere in the province of Ontario.

b.      *(Representation at meetings of corporate owners and those who do not attend or are unable to be present or represent themselves)*

The following persons may represent owners or mortgagees at meetings of the owners and may vote in the same manner and to the same extent as such owners or mortgagees:

- an executor/estate trustee;
- an administrator;
- an attorney for property;
- a committee of a mentally incompetent person;
- a guardian;
- a trustee;
- if a corporation is an owner or acts as one of the foregoing, any person duly appointed a proxy for such corporation; or
- a properly appointed proxy;

upon filing with the Secretary of the meeting sufficient proof of his, her or its appointment, prior to the commencement of the meeting in question.

c.      *(Provisions relating to requisitioned meetings)*

A requisition for a meeting of owners may be made pursuant to subsection 46(1) of the Act by those owners who, at the time the Board receives the requisition,

- own at least 15 per cent of the units in the Plan,
- are listed in the record maintained by the Corporation under subsection 47(2) of the Act, and
- are entitled to vote.

In order to permit the Board to determine if the persons signing the requisition are shown on the register and entitled to vote, the names of all the requisitionists must be legibly printed or typed under the signature of each requisitionist.

Any signature that is not identified by a legibly printed or typed name of the signatory shall not be counted or otherwise considered in determining if the requisite percentage of owners have signed the requisition for meeting.

d.      *(Provisions relating to the use of Proxies)*

Unless another form of proxy is provided by the Board with a notice of meeting, only the forms of proxy that are recommended pursuant to the regulations to the Act may be used at any meeting of owners. No other form of proxy is allowed. Notwithstanding the foregoing, such form of proxy may have added to it such additional instructions as are required by the grantor to ensure the proxy holder can act or vote at the meeting in accordance with the grantor's intentions are permitted to be added to the proxy.

At the discretion of the chairperson of any meeting of owners, proxies may be used as ballots for the election or removal of Directors.

e. *(Proxies and nominations for Directors from the floor of an owners' meeting)*

Since,

- (a) An instrument appointing a proxy for the election or removal of a Director at a meeting of owners is required by the Act to state the name of the Directors or candidates, as the case may be, for or against whom the proxy is to vote, and
- (b) a proxy may only vote for or against candidates listed in the proxy instrument,

therefore:

1. It is important for the meeting to be able to establish which candidates were voted for (or against) by a proxy. Consequently, any vote for a position on the Board at which one or more proxy holders are to vote must be conducted by use of a ballot that, if the proxy form itself is not being used as a ballot, must indicate if the ballot is being voted by a proxy and if so for which unit such vote is cast. Alternatively, as prescribed by section 52 of the Act, the vote can be conducted as a recorded vote should any person entitled to vote at the meeting request that a recorded vote be held either before or promptly after the vote.
2. In order to permit owners voting through a proxy to know the name(s) of any individuals running for the position of a Director at a meeting where an election of one or more Directors is to take place, only candidates who have given notification of their candidacy to the Board pursuant to subsections 28(2) and/or (3) of the Act may be nominated from the floor at such meeting, save and except in the case where there is an insufficient number of such candidates to fill all the positions to be elected at the meeting in question.

f. *(Provisions relating to the election of a Director to the "Owner-Occupied" position)*

The Act requires that where at least (15) per cent of the units of a condominium corporation are owner-occupied there must be one position on the board of directors designated such that only the owners of owner-occupied units may elect a person to or remove a person from such position (the "owner-occupied position"). A unit is considered "owner-occupied" where:

- the unit is a residential unit;
- the owner of the unit is entitled to vote at a meeting of owners to elect or remove a director; and
- the record required to be kept by the Corporation pursuant to section 83(3) of the Act does not indicate that the unit was leased within the 60-day period prior to notice of the meeting being given.

An individual may stand for both the owner-occupied position on the Board and that of regular Board member. If an election is to take place at a meeting for both positions, the election for the owner-occupied position must be held first. Anyone who has stated an intention to stand for both positions and given notice as required by subsection 28(2) and (3) of the Act and who is elected to be the owner-occupied position is deemed to have withdrawn his or her candidacy for the regular Board position(s). However, should the said individual not be elected to be the owner-occupied position, such individual may then be considered for the position of a regular Board member at the election to be held following the election of the owner-occupied position at the same meeting.

g. *(Provisions relating to the Section 47 Record and Voting)*

*(Section 47(2) Record)*

For the purposes of the record required to be maintained by the Corporation pursuant to Section 47(2) of the Act (the "Section 47(2) Record"), each owner of every unit is required to provide the Corporation with written notice of such owner's name and current address for service immediately:

- when such owner acquires any ownership interest in the unit; and
- subsequently upon there being any change to such owner's name and/or address for service.

In the event of any dispute or question as to the correct name and address for service for the owner of a unit, reference shall be had to the most recent written notice received by the Corporation in accordance with this provision and the same shall be deemed to be correct as at the date of such dispute or question. In the event no such notice has been received by the Corporation with respect to a unit, then regardless of whether or not the owner of the unit resides in the unit the name of the owner(s) as registered on title to the unit and the

municipal address of the unit shall be deemed to be, respectively, the owner's name and address for service for the purposes of the Section 47(2) Record. Furthermore, each owner of a unit must advise the Board in writing of the name of any person who occupies or lives in the unit owned by such owner forthwith upon any such person occupying or commencing to live in the unit.

*(Multiple Owners)*

For the purposes of ensuring that votes for each unit are properly cast and counted in accordance with the provisions of section 51 of the Act, the Board is entitled to require:

- a unit owner to inform the Corporation in writing as to whether the unit owner holds title to such unit owner's unit exclusively or as a "joint tenant" or "tenant-in-common" with one or more other owner(s) and to provide the legal name(s) of such other owner(s); and
- a unit owner holding title to such unit owner's unit as a tenant-in-common to inform the Corporation in writing of such owner's percentage ownership interest in the title to the unit; and,
- any unit owner to provide a copy of the registered transfer/deed of such unit owner's unit to the Board,

and such information shall be entered into the Section 47(2) Record upon receipt.

If the most current information provided by or on behalf of the owners of a unit pursuant to Section 47 of the Act indicates:

- there is more than one (1) unit owner of the unit but fails to set out whether title to the unit is held in joint tenancy or as tenants-in-common the Chair of the meeting shall proceed on the basis that the title is held in joint tenancy unless prior to the vote in question the Chair is provided with a copy of the most current transfer/deed of the unit or other reasonable evidence in the discretion of the Chair that establishes that title to the unit is held in other than joint tenancy; or,
- title to the unit is held by the unit owners of such unit as tenants-in-common (including any tenancy-in-common share that is owned jointly as being deemed to be owned by all of the owners as tenants-in-common) but fails to provide what percentage share each of the owners holds, the Chair of the meeting shall proceed on the basis that the title is held equally as between or amongst the tenants-in-common unless prior to the vote in question the Chair is provided with a copy of the most current transfer/deed of the unit or other reasonable evidence in the discretion of the Chair that establishes that the percentage interests are other than equal as between or amongst the tenancy-in-common owners.

*(Joint Tenants)*

Where the Section 47(2) Record provides that title to a unit is held by unit owners as joint tenants, and only one (1) of the unit owners of the unit attends a meeting of the Corporation in person or by proxy, the Corporation shall be entitled to:

- count such attendance toward quorum for the meeting; and
- rely on a vote cast by such unit owner and treat the same as valid and representing and being the vote cast on behalf of all of the unit owners of the unit;

provided the Corporation has not been advised in writing to the contrary by any other unit owner of the unit in question prior to such vote being cast.

Where the Section 47(2) Record provides that title to a unit is held by unit owners as joint tenants, and more than one (1) of the unit owners of the unit attends a meeting of the Corporation in person or by proxy, the Corporation shall be entitled to:

- count such attendance toward quorum for the meeting; and
- rely on a vote cast by such unit owner(s) or any one of them and treat the same as valid and representing and being the vote cast on behalf of all of the unit owners of the unit;

provided:

- the Corporation has not been advised in writing to the contrary by any other unit owner of the unit in question prior to the vote being cast; and
- provided no other unit owner of the unit purports to vote on the same question by a separate vote; and
- no objection to the vote being made by such unit owner or owners, as the case may be, is made to the Chair by any other unit owner of the unit who is present at the meeting in person or by proxy, prior to the vote in question being cast.

In determining if the majority of the unit owners of a unit are agreed on how to exercise a vote, in circumstances where the unit owners of the unit who are present at the meeting in person or by proxy are evenly divided on how to exercise the vote, the Board shall assume that any owners of the same unit not present at the meeting in person or by proxy abstain from voting or having any opinion on the vote in question so that the vote cast for the unit in question shall not be counted.

*(Tenants-in-Common)*

If one (1) or more tenancy-in-common share(s) of the title to a unit is owned jointly as between or amongst the owners of the tenancy-in-common share, all of the owners of the unit shall be deemed to hold title as tenants-in-common and the joint owners of the tenancy-in-common share or shares of the title shall each be deemed to own an equal portion of the tenancy-in-common share of the title of which they are joint owners.

Where the Section 47(2) Record provides that title to a unit is held by unit owners as tenants-in-common, and only one (1) of the said unit owners attends a meeting of the Corporation, the Corporation is not required to:

- count such attendance toward quorum for the meeting; or
- rely on a vote cast by such tenant-in-common unit owner or treat the same as valid and binding upon the unit;

*(Regular Annual Budget)*

The Board shall from time to time and at least annually prepare a budget for the next fiscal year or remainder of the current fiscal year. Common expenses are to be assessed to each unit based on such budget and in accordance with the percentages set out in the declaration.

*(Notice of Annual Budget)*

The notice may also set out the amount of the monthly contribution to the common expenses of the Corporation assessed on account of the unit(s) owned by the particular owner to whom the notice is sent. Failure to deliver notice of such budget in the time set out herein shall not invalidate such budget.

*(Special Assessments)*

In addition, expenditures not contemplated in such a budget or which exceed the amounts set out in such a budget for contemplated items of expenditure may be assessed any time by the Board (a "Special Assessment"). In order to make a Special Assessment, the Board must serve notice of such on all owners. The notice shall include a written statement setting out the reasons for the Special Assessment.

- *Payment*

The owner of each unit must pay one-twelfth (1/12) of the annual assessment of common expenses levied on account of the unit of such owner on the first day of each month following delivery of such assessment until a new assessment is delivered to such owner. The proportionate share of any Special Assessment allocated to a unit shall be payable by the owner of such unit at such time or times as determined by the Board and set out in the written notice of such Special Assessment that is given to the owners.

- *Application of Payments to Oldest Arrears*

Subject to the further provisions hereof, all payments made toward the contribution to common expenses for a unit, whether with respect to the annual assessment or any Special Assessment or any other amounts duly deemed to be common expenses, shall, notwithstanding any direction by the owner of such unit to the contrary, be applied first toward payment of the oldest arrears of common expenses owing on account of the owner's unit.

- *Interest on Common Expenses Arrears*

Arrears of common expenses will bear interest calculated monthly at fixed rate of two percent (2%) above the commercial rate of interest per annum established and reported by any one of the five (5) largest chartered Canadian banks chosen by the Board in its absolute discretion from time-to-time.

- *Allocation of Payments made pursuant to a Lien*

Any payment made in response to a demand for payment of an amount owing pursuant to a lien arising under section 85 of the Act may be applied in the sole discretion of the Board toward paying all or part of any of,

- (1) arrears of common expenses that are not covered by the lien (provided only that if this is done the same shall be applied first toward payment of the oldest of such arrears),
- (2) arrears of common expenses giving rise to or otherwise covered by the lien (provided only that if this is done the same shall be applied first toward payment of the oldest of such arrears),
- (3) interest accruing in respect of any such arrears of common expenses, and

- *Legal Action to collect Common Expense Arrears*

In addition to any remedies provided by the Act, the Board may bring legal action for the collection of common expenses that have been in arrears for at least fifteen (15) days. - Any such requirements for insurance shall be made in writing by the mortgagee, proposed mortgagee or mortgage insurer. Any insurance placed in response to such request need only be kept in place for so long as the mortgagee has a registered mortgage with respect to one or more of the units of the Plan or in the case of a mortgage insurer for so long as such mortgage insurer has insured a registered mortgage with respect to one or more of the units of the Plan.

c. *(Deductibles)*

- *Damage to Common Elements*

If damage should occur to part of the common elements and was caused by an act or omission of any occupant of or visitor to a unit, and was not caused by the Corporation or any servant, agent or employee thereof, then the amount that is the lesser of the cost of repairing the damage and the deductible limit of the Corporation's insurance policy (regardless of whether or not a claim is made or proceeds are paid under the Corporation’s insurance policy) will be the responsibility of the owner of the unit in question to pay to the Corporation. Any right of a unit owner to be indemnified by any other person, including an owner or occupant of any other unit, on account of such amount, is a matter between the said owner and such other person and shall not involve the Corporation nor affect its right to payment from the said owner in accordance with this paragraph.

- *Damage to Units*

If damage should occur to a unit and such damage or any part thereof is repaired at the expense of the Corporation, then, provided that such damage was not caused by the Corporation or any agent or employee thereof, the amount that is the lesser of the cost of repairing the damage and the deductible limit of the Corporation's insurance policy (regardless of whether or not a claim is made or proceeds are paid under the Corporation’s insurance policy) will be the responsibility of the owner who owns the damaged unit and shall be added to the common expenses payable on account of such unit. Any right of a unit owner to be indemnified by any other person, including an owner or occupant of any other unit, on account of such amount, is a matter between the said owner and such other person and shall not involve the Corporation nor affect its right to payment from the said owner in accordance with this paragraph.

The consequence of defining the “standard unit” is to cause all components of a unit that are not specifically stated to be part of the standard unit to be classified, considered and defined as “improvements,” thereby making the owner(s) of such unit completely responsible for all insurance relating thereto and relieving the Corporation from being required to provide or maintain any insurance on account thereof.

**Article XI. Records**

a. *(Inspection of Records)*

No owner (and in the case of joint owners this shall mean all such owners) or mortgagee may inspect any records of the Corporation except on at least two (2) days’ prior written notice to the Board and then only after prepayment of the costs of such inspection as determined by the Board. Such costs can include costs billed by any property manager for such inspection and in preparing for same, costs of having someone attending to monitor such inspection and any other costs that the Board determines to be attributable to such inspection. **NOTES & STATEMENTS**

1. The chart appended to this Budget Statement shows the projected per month contribution to the common expenses for each proposed unit of the condominium during the first year, including the amounts projected to be contributed to the Reserve Fund on account of each Unit.
2. The amount established for the Reserve Fund contributions for the year following registration of all the Condominium is \$79,689.00 which is an amount equal to approximately 20% of the estimated Operating Expenses for that year (everything other than the reserve fund) budget or 16.67% of the total budget for that year.
3. The Declarant has no actual knowledge of any pending law suits material to property that will comprise the Units, common elements and assets of the Condominium that may affect such property after the registration of a deed to a Unit from the Declarant to a purchaser.
4. There are no current or expected fees, charges, rents or other revenue to be paid to or by the Condominium or by any of the Unit owners for the use of the common elements or other facilities related to such property.
5. There are no services which are not included in this Budget Statement that the Declarant provides, or expenses that the Declarant pays, and that might reasonably be expected to become, at any subsequent time, a common expense.
6. The stated Operating Expense amounts include applicable sales taxes on goods and services obtained by the Corporation. However, it should be noted that although it does not currently appear to be the policy of the Canada Revenue Agency to require owners of commercial units within a primarily residential condominium complex to pay Harmonized Sales Tax (HST) on their contributions to the common expenses, this requirement could be imposed at some point in the future. As it is not certain whether this will be required, this Budget Statement does not include any amount for this. However, the Declarant will not be held liable for any failure by the Condominium to collect the same.
7. There has been no inflation factor assumed in the Operating Cost amounts.
8. The Operating Cost amounts include applicable sales taxes.
9. The Declarant has the right to reallocate any surplus amounts in any Budget Items to and amongst other Budget Items at any time and from time to time.
10. As noted elsewhere in this Budget Statement, the amounts payable for common expenses may increase as a result of factors beyond the control of the Declarant which include:
  - changes for whatever reason to the budgeted amounts;
  - changes in the type, level and frequency of services required; and
  - the way in which such services are provided and in which service contractors and suppliers of the Corporation and/or its respective Unit Owners are managed.

Additionally, the figures in this Budget Statement are and will be subject to:

- inflationary increases;
  - increases as a result of any Reserve Fund Study recommendations;
  - increases as a result of the incurrence of costs not budgeted for in this Budget Statement; and
  - other factors affecting the common expenses which are in the ordinary course but out of the Declarant's control and which are not contemplated in this Budget Statement.
11. The Declarant has completed no Reserve Fund study at this time. The contribution to the Corporation's Reserve Fund amount in this Budget Statement is an estimate only. The actual amount required, based on a properly completed Reserve Fund Study, may vary considerably from this estimate.
  12. Once the Declarant is no longer the owner of a majority of the units, a turnover meeting shall be scheduled and take place at which the unit owners at the time shall elect a board of directors. It is possible this could take place at some point during the first year of operation of the condominium. Once this occurs, the Declarant shall have no further control over the budget or operation of the condominium. The Declarant shall not be responsible for changes to the budget or operation of the condominium decided or made by the unit owners' elected board of directors that cause the budget herein to become inaccurate or deficient in any way.
